RE: C00302570

Dear Mr Yap:

Enclosed, please find original copies of FEC Forms 1 and 2 for the Bass Victory '98 Committee.

Please note that the Bass Victory '96 Committee has been renamed and redesignated as our principal campaign committee for the 1998 election cycle.

Our records mistakenly indicated that these forms were filed with the FEC concurrent with the 1996 year-end report on January 31, 1997. We appreciate your bringing this matter to the committee's attention.

Please do not hesitate to contact the committee at (603) 226-6000 should you have any questions.

Sincerely,

Alexander Bass
Treasurer
